

# AROMA®

## Single Burner Hot Plate

Durable die-cast single burner  
Attractive, easy-to-clean black finish  
Four temperature range settings  
Compact design

### Single Burner Hot Plate

Give your kitchen some added flexibility with this electric range from Aroma - perfect when you're entertaining large groups, compact when you're making lunch at the office and durable when you're camping at the beach. Can be used for cooking and serving. Choose from four different temperature settings, and enjoy the convenience of the easy-to-clean surface and stylish black finish. Made from die-cast metal for extra durability, it's the perfect addition to your home, office, dorm or even camper!
