Double Burner Hot Plate

Durable die-cast construction
Two cast-iron burners with separate temperature controls
Accommodates both large and small dishes
Three temperature settings with ON indicator light
Easy clean-up and storage
Sleek black design

Double Burner Hot Plate

Perfect for entertaining guests, this electric range from Aroma gives your kitchen the added flexibility of two extra burners. Let dishes cook, or just keep them warm for serving, while keeping them out of your way! Made from professional quality die-cast metal that wipes clean with ease and equipped with full-range dual temperature controls, it's the perfect addition to any cook's collection. It's compact enough to be stored in a cabinet, but stylish enough to leave out for everyday use.
