Multiple functions: stews, steams, and slow cooks  
Ceramic inner pot, stainless steel inner wall  
Indirect heating system cooks evenly and preserves nutrients  
Control panel with digital timer  
Clear glass lid  
Cool-touch steam tray

### 5-Quart Multi Cooker

The 5-Quart Multi-Cooker from Aroma is perfect for quick, delicious family meals. With functions for stew, steaming and slow cooking, it can prepare a wide variety of favorite meals with ease. The indirect heating system helps to preserve nutrients that other cooking methods lose. A tempered glass lid allows for easy viewing of food as it cooks. Includes a cool-touch steam tray.
