

Dualit

SLICE BREAD TOASTER

The 2 slot NewGen toaster is Dualit's most compact toaster. It offers all the styling and functionality you would expect from a Dualit toaster, along with the additional features of a defrost setting for frozen bread and the option to toast buns and bagels. The selector control allows you to heat either one or both slots.

Hand built in the UK:

Each one is hand-assembled and features the assembler's individual mark on the base plate

Environmentally responsible:

Fully repairable or replaceable parts for a toaster that will last a lifetime

Unique patented ProHeat® elements:

Exclusive to Dualit, ProHeat elements have a protective armour plated layer covering the filament making them virtually unbreakable

Built for commercial use

Timeless styling: First designed in 1946 this award-winning classic is a design icon

Versatile: The extra wide slots (28mm) accommodate large items

Hardworking and robust: Used in commercial kitchens; it's tough, durable and of solid engineering quality

Energy-efficient slot-selector control allows you to only toast what you need

Mechanical timer allows you to control your browning preferences

Manually operated ejector lever lets you check bread whilst toasting

High lift mechanism to remove small items easily

Adjustable rear foot compensates for uneven surfaces

Defrost setting gently warms frozen bread ready for toasting

Removable crumb tray for easy cleaning
